

# WHAT IS PERSONALITY LINGO?

Connector (NF) Planner (SJ) Thinker (NT) Mover (SP)

**Personality Lingo is a fun easy way to understand why people behave as they do**

It uses everyday language to help you identify personality patterns, YOURS AND OTHERS. This lingo empowers participants to comprehend and discuss the way they see the world and interact with others.

Participants gain self-awareness, transform relationships, improve communication, and manage stress more effectively.

The simplicity of the system also allows you, the trainer, to easily extend these core concepts to many different fields.

Build a work culture that honors differences. Break down barriers to workplace communication. Find creative solutions to conflict resolution. Make a lasting impression and have some fun!

**THE PERSONALITY LINGO® CORE CURRICULUM IS OFFERED AS A 3-PART SERIES:**
